Every Wednesday

11:45am-12:45pm

1099 Sunnydale Ave.
SF, CA 94134

Play & Glow is a parent-interactive group where families can come together and talk, read, sing, and play as we work to develop children's literary, creative, and social-emotional skills and foster healthy family relationships.

Visitation Valley Strong Families staff facilitate activities and provide all necessary materials. Parents and guardians are expected to actively and enthusiastically guide and engage with children during group time. We hope to see you soon!
